Bushfire Council’s comments on the Draft Concept of Operations were forwarded to the Commissioner who will attend the meeting to speak to members to address comments.

The ACT Rural Fire Brigade is currently working on their business rules.

Michael Joyce spoke to the Built Up Area Map and advised the Bushfire Abatement Zone no longer has any relevance to operational planning.

An update on staff movement was provided.

Action item: • Nil

Agenda item: *6.0 – Concept of Operations* **Presenter:** ESA Commissioner

Discussion: **Paper Tabled:** ACT Bushfire Council comments to the Draft Concept of Operations (CONOPS) for Bush and Grass Fires in the Australian Capital Territory.

The Strategic Review of Operational Arrangements for bushfires in the ACT was forwarded to ACT Bushfire Council Members for review and comment.

The Commissioner provided a detailed response to all the comments provided and advised that the CONOPS and BUA Map will be reviewed and updated annually.

The document will be provided to the Emergency Services Operational Review Group, the Minister for endorsement and the Commissioner will have final approval. The timeframe for implementation of this document is 18 months; therefore an interim set of arrangements for the next fire season will be required and in place well before 1 October 2012.

The next step is after the CONOPS is endorsed is the review of business rules. This work should be completed by end May 2013. A scenario will be conducted to test the CONOPS to see if it withstands the worst case scenario.

Bushfire Council Members discussed the Incident Management Team (IMT) and requested a copy of the 2011/2012 IMT plan.

Stand-up Arrangements in Appendix 1 was discussed and Tony Fearnside advised that a statement should be included to list volunteer stand-up arrangements. The Commissioner agreed to add the statement.

Action item: • Michael Joyce to provide Council Members with a copy of the 2011/2012 IMT plan.

Agenda item: *7.0 – Community Awareness Update* **Presenter:** Michael Joyce

Discussion: Bushfire Council Members asked ‘What the ACTRFS is doing to educate the public about bushfires.’

Michael Joyce advised of the achievements of the Manager Community Awareness with the Community Engagement team and Social Media team. Council members requested the Manager Community Awareness provide an update at the next Bushfire Council Meeting, regarding previous and upcoming community engagement opportunities.

Michael Joyce advised that the Manager ESA Media and Community Information invited Bushfire Council Members to contact him via email or phone with any questions concerning Community Awareness.

Bushfire Council Members requested the Manager ESA Media and Community Information provide a calendar of previous and upcoming ACTRFS public awareness campaigns.

ACT BUSHFIRE COUNCIL IMPLEMENTATION OF ACTION ITEMS

~Principles~

- The register will include all action items that have yet to be implemented or where implementation is in progress. The status of implementation should be reviewed at each Bushfire Council meeting.
- The status update information is the only information that will be regularly updated in the relevant column. The only exception to this is if a revised completion date is suggested, the status must clearly detail rationale for this change.
- Status of implementation will continue to be regularly updated until action item is fully implemented.
- Action items will only be indicated as “Complete” after due consideration by the Bushfire Council.
- The progress status legend (Red, Amber Green) represents the action officer’s assessment of the status of progress to the Bushfire Council. Green indicates implementation on track, amber indicates some delays in implementation or receipt of status update information, red indicates significant delays and/or no information on the status of implementation.
